Holistic Care
*A Perspective on Human
Dignity*

Each patient is not a room number or diagnosis, but a human being with aspirations, a family and looking for hope in the care we give.

Dr. Kristina Leyden is a practicing Family Nurse Practitioner and Assistant Professor of Nursing at The University of St. Thomas in Houston, TX. As a busy mother to five, she also devotes her time to the creative arts. Come hear why holistic healthcare is so vital to our practice!

When: Saturday, November 14, 2015

Where: Houston Methodist Hospital
6500 S. Main St.
Scurlock Tower, 802
Houston, TX 77030

Time: 11:00-12:00 pm
